

Invitation

5th INTERNATIONAL AND 11th NATIONAL INTERDISCIPLINARY GRASTYÁN CONFERENCE

OPENING CEREMONY

April 16. 9.40-10.00, wreathing at the plaque of Grastyán Endre
(PTE AOK Institute of Physiology, Szigeti St.12. I.st floor)

PRESENTATIONS

April 17-19. (PMMIK Boszorkány St. 2, Room 019 and the Conference Hall)

Our performers are graduate and post-graduate students, who represent
10 NATIONAL AND INTERNATIONAL UNIVERSITIES:

Andrássy Universität Budapest , Budapesti Corvinus Egyetem, University of Debrecen, Eötvös
Lóránd University, Pázmány Péter Catholic University, University of Pécs, Selye János
University(Slovakia), University of Szeged, Uzhhorod University (Transcarpatia, Ukraine),
Universität Wien (Austria)

141 performers in 28 mixed sections present the results of their latest research with the prior
claim of **CLARITY**.

The performers of a given section stay together after their presentation to continue further
discussions and evaluate the work of the section.

Part of the presentations will be **BROADCASTED LIVE**. Experts and interested audience may
join the presentations via Skype and chat. (We will share the address of the webpage through which
you can follow the presentations soon.)

Several talented young and recognized researchers and tutors from different faculties of the
University of Pécs will participate as chairmen and experts as well. Furthermore, specialists from
noted international institutions are going to join the work, too.

The students of the University of Pécs, who reached an extraordinary achievement, the
AMBASSADORS OF TALENT, will also contribute to the conference: during the wreathing as
well as they are going to hand the certificates for the most comprehensible scientific presentations.

Each of the three days will end in an **INFORMAL CONVERSATION** between the
participants, joining together for some pancakes.
