

2010/2011 fall

**TIMETABLE**  
Odd week

Medical Biotechnology MSc 1st semester

	MONDAY				TUESDAY			WEDNESDAY			THURSDAY			FRIDAY			
8.00-8.45																	8.00-8.45
9.00-9.45														Introduction to molecular and cell biology practice Department of Medical Biology lab			9.00-9.45
10.00-10.45	Biochemistry lecture Lecture room II.				Human physiology lecture 400 Bed Clinic seminar room 7th floor			Genetics seminar Department of Immunology and Biotechnology seminar room									10.00-10.45
11.00-11.45																	
12.00-12.45											Biophysics lecture Department of Byophysics seminar room			12.00-12.45			
13.00-13.45					Introduction to molecular and cell biology lecture Department of Medical Biology library			Introduction to economics lecture and practice 400 Bed Clinic seminar room 7th floor						Biophysics practice Department of Byophysics			13.00-13.45
14.00-14.45																	Business law 400 Bed Clinic seminar room 7th floor
15.00-15.45					Biochemistry lecture Lecture room II.						Ethics in biotechnology 400 Bed Clinic seminar room 7th floor			15.00-15.45			
16.00-16.45	16.30-19.45 lecture and practice lab Informatics PTE-PMMK 118.													Management and practice 400 Bed Clinic seminar room 7th floor			
17.00-17.45																	17.00-17.45
18.00-18.45																	18.00-18.45
19.00-19.45																	19.00-19.45
