

IV. INTERNATIONAL CONFERENCE ON MOLECULAR RECOGNITION

Pécs, 15-18 August 2007

Dear Colleagues, Dear Friends,

It is our pleasure to invite you to attend the IV. INTERNATIONAL CONFERENCE ON MOLECULAR RECOGNITION, which will be held in Pécs between 15 and 18 August 2007. The registration is now open at the website of the conference: www.molrec.hu. The deadline for registration is **15 May 2007**.

The conference will provide an overview of a broad range of interdisciplinary subjects. The topics are organised in the following sections:

- Cytoskeletal Proteins;
- Biological Membranes;
- Thermal Analysis of Protein Interactions;
- Nanobiology;
- Protein Dynamics and Conformations.

It will be an excellent forum for exchanging exciting current ideas, and a great opportunity to generate thought-provoking discussions and to initiate collaborations. The results presented at the conference can be published in a special proceedings issue of the *European Biophysics Journal*.

Beyond its scientific importance the conference is a tribute to the memory of an outstanding scientist and a great friend, **Professor Béla Somogyi**.

Registration, payment information, the important deadlines, the preliminary programme of the conference, the list of speakers and information about accommodation and other details are available at www.molrec.hu.

We hope that many of you will join us to enjoy the excellent talks and posters, the heated discussions and the social events in the beautiful city of Pécs!

Yours sincerely,

Miklós Nyitrai
Chairman of the Organising Committee

Please, forward this information to colleagues who may be interested in attending the conference!
