10:00-11:30 'Me and my Career' workshop for Freshmen

Are You blissfully happy about Your successful admission to #medschoolpécs? You'll get some help in this workshop to be conscious about Your motivation, and to be able to use them in challenging times. This will happen in a relaxed and cosy atmosphere, during an interactive workshop with Your peers. The workshop is lead by Andrea Horváth-Sarródi, life coach, M.D.

Place: Dean's Conference Room

Participation is subject to registration, limited places available.
