

INSTRUCTIONS FOR STUDENTS

Welcome to the Medical Students' Research Conference, attracting now over one-hundred and twenty participants, which will be held at the Faculty of Medicine of the University of Pécs between 3rd and 5th of April, 2008. The conference will begin with the Opening Ceremony on April 3rd at 2:30 p.m.

The presentations are assigned to the section as indicated during the submission procedure.

The PowerPoint presentation of the talk should be given to the technical staff half an hour before the section starts. Each talk is permitted to proceed for 10 minutes, followed by a 5 mins of discussion and debate. If the talk exceeds the 10 minutes limit, the presentation will not be interrupted, but it will lead to the reduction of discussion length. Having passed the 10 mins limit of the presentation will be indicated by the student member of jury standing up.

In order to acknowledge the participation to the conference, each student guest from abroad will receive a certificate of his/her contribution, signed by the chairman and senior student member of the Students' Research Association. Should the presenters be awarded by the jury, the award will be forwarded to the institute whence the presentation was submitted, with the presenter student's name as addressee.

On behalf of the Organizing committee, we wish you a pleasant stay and successful participation in the Pécs Medical Students' Conference 2008.
