*International Max Planck Research School for Molecular Cell Biology and Bioengineering
Dresden International Graduate School for Biomedicine and Bioengineering*

Dresden, 2 May 2008

Dear Colleague,

The International PhD Program Dresden, a cooperation of the Dresden International Graduate School for Biomedicine and Bioengineering and the International Max Planck Research School for Molecular Cell Biology and Bioengineering, invites applications for the upcoming fall selection 2008 for the programs in

- Molecular Cell Biology and Developmental Biology
- Regenerative Medicine
- Nanobiotechnology, Biophysics and Bioengineering

We kindly ask you to place the enclosed poster in a prominent location where it will attract the attention of students in the biological sciences, regenerative medicine, chemistry, physics, engineering and informatics.

Thank you very much for your help.

Sincerely yours,

Birgit Knepper-Nicolai
PhD Program Manager
