

Application online at outgoing.pte.hu

Students are kindly requested to apply online at https://outgoing.pte.hu/en_HU/ at the same time with submitting applications in email to erasmusoffice@aok.pte.hu. On the online platform mark all the universities that you have listed in your application form. Please fill in the data online concerning your profile, contact details, mobility, education, language and activities, however, you **do not have to upload any documents** to submit your application (though you need to click „Yes”, when you are asked if you have uploaded them).

In case you cannot find the target university at the site, but it is listed in the announcement, please contact erasmus@pte.hu for further assistance. If the targeted university is not listed in the announcement either, please choose „ERASMUS+ Open location traineeship”, the first option at the bottom of the list.
