

Competition Announcement

„Everyday life at #medschoolpecs”

The Medical School of the University of Pécs is announcing a photograph competition titled *„Everyday life at #medschoolpecs”* for students of the Hungarian, English and German programmes.

The goal of the competition: showing university life from your view. We are giving you free reign to show lectures or leisure activities with your pictures. We want to see the fun (or sometimes sad) studying hours, and the parties that follow. You can send anything that shows **the everyday life of a med student.**

The only thing you have to do is take a picture with your phone, camera or other device.

Eligible applicants: all Hungarian, English and German med students with an active status (PhD students, too!) are eligible to apply if they want to show the everyday life of the faculty.

Handing in the application: Pictures have to be uploaded to Instagram with the hashtag #medschoolpecs. Of course, you can use other hashtags that fit your picture, too!

We are expecting a maximum of 5 pictures from each applicant, uploaded as one post.

Deadline: the end of every month, with the aforementioned hashtag.

Prize: One prize will be awarded each month to the best picture (mug, pendrive, bag...). The winner will be notified via Instagram message.

* The applicant gives the University of Pécs permission to use the picture and video material for commercial and remarketing purposes. The applicant agrees that the Hungarian Admissions and Student Service Center might ask for the originals of the photographs.

!!!! /Poszt kiíráshoz: The Medical Cup this weekend will be a perfect opportunity...!!!!
