total obligatory credits:	240
---------------------------	-----

Credits to obtain for the diploma: 300

Obligatory credits to obtain: 240

Credits to obtain by the thesis work: 20

Elective credits to obtain (including 20 credits for the thesis work): minimum 45

Optional credits to obtain: minimum 15
Credits to be gained by the completion of optional subjects may also be gained in elective subjects or in the form of campus credits accepted for the given major.

*According to the recommended curriculum the student is required to obtain 30 credits per semester, therefore the student can complete the curriculum in the given semester only if he/she completes as many elective and facultative subjects besides the obligatory subjects listed in the present chart, as many are needed to reach the required 30 credits!
