PHYSICAL EDUCATION 1-2-3-4

According the rules printed in the following pages, for the English-speaking students, the Physical Education and Sportcenter offers three possibilities to execute Physical Education as criterion subject:

1. Participation in the physical education programs involved in the time table.
2. Participation in the regular trainings of one sport organized by the Medikus Sport Club.
3. Participation in the regular trainings of one sport organized by the University Sport club (PEAC).

At the beginning of the semester the students should sign up in the “ETR” and mark the chosen type of activity.

Timetable, trainings, and maximum number of participants:

PHYSICAL EDUCATION 1

Course director:

TAMÁS TÉCZELY, PE teacher
Physical Education and Sportcenter

0 credit • Criterion requirement • both semesters • signature

Number of hours/semester: $0 + 28 + 0 = 28$

Prerequisite:

Topic

This subject provides theoretical and practical information for the students to maintain and improve their physical condition and helps to deepen the knowledge in the field of healthy lifestyle. Theoretical and practical knowledge during different types of exercises e.g. how to improve endurance, muscle force, motor skills and how to prevent the body from injuries.

Conditions for acceptance of the semester

Active participation at least 20 practical lessons provided by the Institute of Human Movement Sciences or regular participation of the trainings of the Medikus Sport Club or PEAC.

Making up for missed classes

We provide opportunities to attend extra lessons in the first week of the exam period in that case the requirements are not fulfilled till the end of the teaching weeks with agreement of the PE Teacher.

Reading material

Lectures

Practices

Depends on the chosen type of sport.

Seminars

Exam topics/questions

No exam in this subject.
