

2ND INTERNATIONAL DOCTORAL WORKSHOP ON NATURAL SCIENCES

We kindly invite you to participate at the 2nd International Doctoral Workshop on Natural Science, which is being organized following a successful conference last year. This year the Workshop will last two days to provide an even wider chance for young researchers to present their findings.

The focus of the conference is on natural, medical and health sciences, results of these fields are going to be presented via short oral and e-poster presentations and interactive discussions.

Date: September 11-12, 2013

Venue: Theoretical Building, Medical School, University of Pécs

Address: 7624 Pécs, Szigeti u. 12.

Official Language: English

Registration for the conference is free of charge.

Beside PhD-students and young researchers, graduate program participants are also encouraged to register.

Submitted abstracts are going to be examined by a scientific expert's committee and accepted works will be published in a citable abstract book.

Furthermore, PhD-students of University of Pécs may receive credits for participation.

Planned social programs: evening grill- and cocktail party in Sörház-Monarchia Restaurant and gala-dinner with exclusive wine tasting in Gere Vinery, Villány, and more...

Chief patron: Prof. Akos Koller, Vice Dean for Scientific Affairs and the Medical School, University of Pécs

Organizing Committee:

President: Zsolt Springo

Vice president: Gabor Maasz

Members: Dora Gunszt, Renata Cseharovszky, Kata Fuge, Bela Melegh, Zoltan Nemeth, Peter Cseplo, Zoltan Vamos, Andras Garami, Robert Matics, Istvan Szabo, Levente Molnar, Dorottya Poczi, Balazs Kosa.

In a co-operation with: Prof. József Szeberényi, M.D., PhD., chairman of the Hungarian Academy of Sciences' Regional Committee in Pécs, Committee of Biological Sciences.

Supported and sponsored by: Doctorandus Committee, Medical School, Faculty of Sciences and Faculty of Health Sciences of University of Pécs; the Hungarian Academy of Sciences, Regional Committee in Pécs, Committee of Biological Sciences and the Association of Hungarian PhD and DLA Students Section of Medical Sciences and TÁMOP 4.2.2/B-10/1-2010-0029
