

UP Operative Crew Resolution 3/2021 (12 May) (adopted at its online meeting)

The UP Operative Crew adopts the minimal requirements of protective measures for in-class teaching, knowledge assessment, and admission tests at the University of Pécs during the state of emergency based on the sectoral recommendations, and the recommendations of the competent chief physicians of the Clinical Centre and the competent staff of the Facility Management and Procurements Centre.

Responsibility: ÜBI, teaching and examination units

Deadline: continuous

Dr. József Betlehem

Vice Rector for General Affairs, Connections and Strategic Affairs

Chief of the UP Operative Crew
