PTE Operative Crew Resolution 2/2021 (29 October)
on the mask mandate
(adopted electronically)

- I. In light of the epidemiological situation, the PTE Operative Crew outlines a mask mandate at the University of Pécs effective from 2 November 2021 as follows.
 - 1) **Wearing a surgical mask** (medical facemask), textile mask, or other PPE mask (hereinafter collectively: mask) **covering the nose and the face is required on all the premises of the university, inside buildings** (including but not limited to classrooms, community areas, corridors, dormitory community areas, administrative areas and offices).
 - 2) **Wearing a facemask is required at every event or meeting held inside.**
 - 3) Exceptions from the mask mandate:
 - a) The person holding the in-class lecture;
 - b) In the sports facilities and in PE or sports classes, the person actively participating in physical activity;
 - c) University staff, if alone in the office;
 - d) Students in their own dormitory rooms.
 - 4) Wearing a mask on the premises of the Clinical Centre is governed by the relevant legislation and internal instructions and may be subject to more stringent requirements than those generally applicable.
 - 5) This Resolution does not cover the public schools managed by the University where the sectoral guidelines issued by the Ministry shall apply.
- II. The PTE Operative Crew Resolution 2/2021 (9 September) shall lose effect on 2 November 2021.
- III. The necessary amendments shall be made to the relevant internal regulations (Entrance Order 20/2020, Epidemic Safety Guidelines).
