*International Max Planck Research School for Molecular Cell Biology and Bioengineering
Dresden International Graduate School for Biomedicine and Bioengineering*

Dresden, October 2010

Dear Colleague,

Please find enclosed the poster announcing the Spring Selection 2011 of the Dresden International PhD Program. The deadline for registration is 20 November 2010.

The Dresden International PhD Program is a joint cooperation of the **Dresden International Graduate School for Biomedicine and Bioengineering** and the **International Max Planck Research School for Molecular Cell Biology and Bioengineering**; it offers challenging research opportunities and interdisciplinary training for University graduates who wish to work towards a PhD in the fields of

- Molecular Cell and Developmental Biology
- Regenerative Medicine
- Nanobiotechnology, Biophysics and Bioengineering.

We kindly ask you to place the enclosed poster in a prominent location where it will attract the attention of students in life and natural sciences, engineering, informatics and medicine.

We cordially thank you for your help.

Sincerely yours,

Birgit Knepper-Nicolai
PhD Program Manager
