ABOUT THE EXCHANGE PROGRAMS

POE (Pécsi Orvostanhallgatók Egyesülete = HuMSIRC Pécs) is an active member of IFMSA (International Federation of Medical Students' Association, which is an organization representing associations of medical students worldwide. It is not only recognized by the United Nations and the WHO, but it runs 2 exchange programs specialized for Medical students.

SCOPE (Standing Committee on Professional Exchange) is one of the largest student-run exchange programs in the world with more than 1,5 million medical students from 97 organizations. The main purpose of the program is to promote cultural understanding and cooperation among medical students and all health professionals, through the facilitation of international student exchanges. SCOPE exchange program is available after the 6th semester. Many of our exchange programs are organized in affiliated teaching hospitals, so these exchanges can be accredited and accepted by the Medical Faculty as an obligatory practice.

SCORE (Standing Committee on Research Exchange) is focused on research projects and allow medical students to expand their knowledge of specific scientific areas. This mobility project is available in more than 65 NMOs. Our association accepts applications after 2 completed semesters, even without any research experience.
