

Dear Students,

Hereby we would like to call your attention on [Dean's Order no. 10/2020](#) of the University of Pécs Medical School on the instruction and examination following the withdrawal of the state of emergency caused by the coronavirus pandemic.

We inform you that the exam period of the 2019/2020 spring semester at the Faculty will be extended until August 29, 2020, therefore – taking into consideration the epidemiological circumstances of the 2019/2020 spring semester - it will be possible to take exams with personal presence in the extraordinary exam period with the following conditions.

EXTRAORDINARY EXAM PERIOD	
Course director's authority	arranging exams with personal presence in accordance with the aspects specified in Dean's Order no. 6/2020 (May 28)
	deciding about announcing exam dates and the manner of the examinations based on professional and education-organisational aspects
	determining the number of exam places and the exam dates
	the examiner or the supervising teacher shall check whether the conditions of taking the examination are completed (including the state of health) before the exam
Dean's equity	taking exams in the extraordinary period is possible only upon submitted and accepted requests for Dean's equity or the further, extraordinary Dean's Equity introduced to the state of emergency, which students can handle in the Neptun ES
	students who do not have a submitted and accepted Dean's Equity request are not entitled to take exams in the extraordinary exam period
	bettering exam cannot be taken during the extraordinary exam period
Epidemiological measures	taking exams with personal presence during the period of epidemiological preparedness is possible only in compliance with the current hygienic and epidemiological measures
	sampling for the respiratory PCR-test are conducted in the University of Pécs Clinical Centre's Centre for Occupational Medicine and Work Hygiene (7624, Pécs Nyár str. 8.) in case of students with symptoms or students with involved contacts
Statement	students must declare on their involvement of the COVID-19 pandemic before the examination held with personal presence in the morning of the exam date on the form of Annex 1. of the Dean's Order no. 10/2020: „Student's statement about the involvement of the COVID-19 pandemic”. The student certifies with his/her signature he/she is free of symptoms and complaints and has not been in contact with a patient with confirmed or assumed coronavirus infection or if he/she was in contact with such patient he/she wore proper personal protective equipment

You can find the most important deadlines of the extraordinary exam period below.

Please note that with regard to the state of emergency announced due the coronavirus outbreak in the spring semester of the academic year of 2019/2020, referring to CCB Annex 13. 4 § (2), for those students participating in the Faculty's Hungarian or foreign language undergraduate programmes, a new payment deadline, 14th August 2020 has been established to fulfil outstanding payments. Those students who fail to fulfil their debts by 14th August 2020, shall not be entitled to take exams in the extraordinary exam period and enrol for the first semester of the academic year 2020/2021. Furthermore, students who have not met their overdue payment obligations may not request their transcript of records to be issued according to CCB 57. § (9).

We would like to draw your attention that the deadline for paying the first instalment (40 %) of the tuition fee for the fall semester of the academic year 2020/2021 is also August 14, 2020. Students who have not settled their payment obligation within this deadline are not entitled to take pre-scheduled exams.

Please keep in mind that you can take the exams of the exam periods (extraordinary and pre-scheduled) in August only if you will be able to attend the exams held with personal presence. Therefore, please get information on the conditions of access to Hungary at the consulate of your country.

Following the access to Hungary (between August 31-September 4, 2020) we provide a lot of online professional information and skill development programs (PoteWellcome) for the upper year students (second to fifth year) related to their studies. Participation at the programs is free of charge, but preliminary registration is required. Scientific workshops of the faculty (Student Researchers' Society, institutes of the Student Researchers' Society, topics offered by the institutes, Circle of Demonstrators, Colleges) will be presented as part of the programs. Inquirers can get to know the effective methods of writing the thesis or the Dean's thesis and the exchange programs provided by the Faculty. Students can take part in practical activities (manual skill improvement – arranged by MediSkillsLab) and workshops, trainings (patient communication, The 7 Habits of Highly Effective People training).

Detailed programs and the registration will be available on the [website of the Medical School](#) from July 23, 2020. You can send your questions regarding the offered programs in e-mail to info@aok.pte.hu

You can find the further deadlines regarding the start of the semester in the [schedule of the academic year 2020/2021](#).

Best regards,

Bernadett Potos
