# Our work & aim

The CLAC (Campus Legal Aid Clinic) launched in 2015 to deepen the academic knowledge of law students. At the same time, it provides professional and monitored legal advice to the students of the University of Pécs. Our program is financed by the Internationalization Fund of the University of Pécs.

In our program, we aim to offer legal assistance to every student at UP. As we specialize in supporting international students, we can handle cases in English or German, which is unique in Hungary. There is no other student organisation in the country that takes care of the legal problems of foreign students. Our goal is to make students' daily lives at UP easier so that they can focus primarily on their studies.

## **Our cooperative partners in education:**

- KPMG Legal
- Regional Court of Pécs
- Regional Court of Kaposvár
- Baranya County Police Department Law

# Our clients

In our cases we have dealt with international students of the University of Pécs, who are from over 40 different countries.

- India
- Tajikistan
- Norway

## We also offer alternative help for our Clients:
