10:00–11:30 ‘Me and my Career’ workshop for Freshmen

Are you excited about Your successful admission to #medschoolpécs?

Would you like to consciously build your professional path from the very first days of university and gain a clearer understanding of where it all leads?

In this workshop, we'll help you gain clarity on your motivations, recognize your own strengths, and discover where to draw strength from even during difficult times.

You can do all this in a relaxed, friendly atmosphere through interactive activities, alongside your classmates.

The workshop is lead by [Dr. Krisztina Keresnyei](#), business and team coach, mental health specialist

Place: Dean's Conference Room

Participation is subject [to registration](#), limited places available.
